September 2

Intro to Food Preservation

To extend your harvest, learn all the ways you can start to preserve your bounty. We will discuss drying, pickling and canning.

September 30

How to Preserve Your Summer-End Harvest

Learn to prepare apricot jam using the tools and ingredients you'll need to enjoy your harvest for the rest of the year.

Taught by **UCCE Master Food Preservers.**

Apricots grown and graciously donated by the Jurupa Mountain Discovery Center orchard and freshly harvested by the Inland Empire California Rare Fruit Growers.

Ask a Master Gardener First Saturdays from 9 - noon.

Stop by the Master Gardener booth to have all your gardening questions answered.

Open Daily, 8 am to 4 pm
